## ACKNOWLEDGMENT

The author appreciates constructive criticism given in the completion of this thesis by members of the faculty of the Eastern Illinois University. To these members, Professor John W. Masley, Associate Professor Robert A. Carey, and Professor Charles H. Coleman, the writer expresses his most sincere gratitude for assistance in the continuation and completion of the thesis.

The author is grateful to Dr. Charles P. Lantz, former varsity basketball coach and athletic director, Dr. Robert A. Carey, present varsity basketball coach, Mr. Kenneth Hesler, Office of Public Relations, and Dr. John W. Masley, present athletic director, for making available athletic records and data.

To the many individuals who have lent assistance in the completion of this research, the author acknowledges his gratitude.

## CHAPTER I

### INTRODUCTION

This study is primarily concerned with intercollegiate basketball at the Eastern Illinois University located at Charleston, Illinois. The history begins with the events that led to the establishment of a basketball team in the early 1900's and extends to the varsity basketball season of 1959.

The purpose of this study is to collect, organize, and record into one volume all the relevant facts concerning the development and history of basketball at the Eastern Illinois University.

Literature pertaining to historical studies written at the Eastern Illinois University and elsewhere were reviewed to give the author an idea of an approach to this study and the techniques involved in assembling materials.

The primary sources of data for this thesis came from the official scorebooks in the office of the Physical Education and Athletic Department and from interviews with coaches of the basketball teams. Other sources were the yearbooks of the Eastern Illinois University; the college newspapers, The Eastern State News, and its predecessors, The Normal School News, Teachers College News, The Eastern Teachers News and others; The Eastern Alumnus; and interviews with former players.

This study is arbitrarily arranged into chronological divisions. Chapter II presents the beginning of basketball at the Eastern Illinois University, 1899 to 1911. Chapter III is the period from 1911 to 1919. Chapter IV is the period from 1919 to 1929. Chapter V is the period from 1929 to 1939. Chapter VI is the period from 1939 to 1949. Chapter VII is the period from 1949 to 1959.

1946. Chapter VI is the era of William A. Healey, 1946 to 1953. Chapter VII is the era of Robert A. Carey, 1953 to 1959. Chapter VIII is a chapter designed for recognition of Rex V. Darling, 1945 to 1959. The final chapter is the summary.

The Appendix lists data such as: the dates, places, and scores of the yearly competition from 1909 to 1959, and the lettermen. It also lists the records of the wins and losses of the teams of the respective coaches, and point totals scored by the Eastern Illinois teams and their opponents.

In referring to various institutions, the abbreviated names will often be used; i.e., Eastern Illinois University will be called Eastern or "Panthers", Northern Illinois University will be called Northern, etc.

There are several weaknesses and limitations to this study. The fact that it is dependent to some extent upon human memory and opinion makes it subjective and susceptible to error. The necessity of relying on student publications for much of the data makes any such historical study subject to a suspicion of inaccuracy. Whenever possible, student reports were compared with other records such as scorebooks. In a few cases, however, no other source could be located. The lack of available information about the early years of the sport hampered the writer in his effort to treat this subject fully.

## CHAPTER II

### THE BEGINNING OF BASKETBALL AT THE EASTERN ILLINOIS UNIVERSITY FROM 1900 TO 1911

The purpose of this chapter is to describe the history and beginning of basketball at the Eastern Illinois University.

Basketball was first reported at Eastern Illinois University as early as 1900. L. C. Lord in a letter to Alice M. Christiansen, teacher of gymnastics for girls, stated:

However, basketball was played as an intramural activity as early as 1900. The third floor, west, of the main building served as a primitive gymnasium. It was here that classes in 'physical culture' engaged in 'simple movements without apparatus', and the class basketball teams played.<sup>1</sup>

There had been school teams reported as early as 1902 and 1903, but their records were not preserved. No provisions for sports as an organized school activity were made when the school first began operation. Interested faculty members coached the school teams on a voluntary basis until 1910.<sup>2</sup>

In January, 1909, the Pemberton Hall Gymnasium was completed. The legislature failed to appropriate sufficient funds, so a teacher of men's physical education was not hired.<sup>3</sup>

In January, 1909, Mr. J. C. Brown, who had been coaching football, and who was appointed curator of the Pemberton Hall Gymnasium, coached a

basketball team. The available records indicate that the 1909 team played three games, winning one and losing two. The following season, the team won three of seven games played.

Mr. Brown did not return to school in 1911. This left the school without a basketball coach. Records indicate that no games were played that season.<sup>4</sup>

The writer has attempted to give a short summary of the beginning of basketball at the Eastern Illinois University. Many records are not available and the history of the sport is very limited during this period.

### CHAPTER III

#### THE ERA OF COACH CHARLES P. LANTZ FROM 1911 - 1934

This chapter describes the era of Dr. Charles P. Lantz, 1911-1934. Dr. Lantz has been graduated from Gettysburg College, Pennsylvania in 1909 where he had been an outstanding athlete and student. Before coming to Eastern, he was athletic director, coach, and chemistry teacher at the Harrisburg Academy. In the fall of 1911, Charles Perry Lantz was added to the faculty at Charleston as a teacher of mathematics and director of physical education.<sup>5</sup>

The addition of Mr. Lantz was the beginning of a new era in Eastern's sports history. He coached not only basketball, but also football and baseball. From 1911 to 1935, he coached the teams in all three major sports at Eastern. In 1935 he gave up the football and basketball teams to younger men, but continued to coach baseball.

#### ON 3 1911-1912 LOST 2

In 1912, the Normal School at Charleston had only one year beyond the regular four year high school curriculum. As a result several games were played with high schools in the immediate area.<sup>6</sup>

The squad members were "Ben" Anderson, David Kime, Bruce Corzine, Grove Butler, Eugene Rodgers, Emerson Wilson, Maurice Hampton, Cincy Rich, Edward Hill, and Leonard Stratton. These ten members compiled an impressive record against their opponents.

<sup>5</sup> Ibid., 150, citing a letter, J. . . . .  
for letterbooks, 4, 7.

The first four games of the season were victories for the Normal School as they defeated Paris and Charleston High School each twice. Paris had won thirteen straight games, but they went down to defeat, 26-13 and 44-20. The next two games resulted in defeats by Sparks Business College and Westfield College. The team traveled to Westfield in buggies to play the game.<sup>7</sup>

After the two defeats, Eastern defeated Centralia High School, the University of Illinois Sophomores, and Carbondale. The highlight of the season was the defeat of Carbondale on their floor, 81-17.

Rules during this period differed from those of basketball rules in later years. In 1912, one player shot all the free throws for his team. The referee for the game was usually the home team coach.<sup>8</sup>

The equipment used during the early years of the sport would be considered inadequate today. The backboard was six feet high and four feet wide. Leather nets that never wore out and leather basketballs were used. The basketball did not roll around the rim and "fall in" as sometimes occurs today.<sup>9</sup>

#### WON 2 1912-1913 LOST 7

When Dr. Lantz issued his call for basketball candidates in the winter of 1912, five players of the preceding year responded. The five returnees were Maurice Hampton, Grover Butler, Captain Bruce Corzine, Eugene Rodgers, and Edward Hill. Other promising candidates to report were Horace McIntyre, Harvey Helm and Gordon Cook.<sup>10</sup>

<sup>10</sup>Yearbook of 1912-1913,  
Eastern Illinois University,

Although these returnees made the season outlook somewhat promising, new colleges on the schedule proved to have too much experience for the boys from the Normal School. Another handicap was the fact that Eastern had only two years of college at that time.<sup>11</sup> Eastern was admitted to the Illinois Intercollegiate Athletic Association as the thirteenth member in December, 1912. As a result, new rules in effect in the conference handicapped the Eastern players to a great degree.<sup>12</sup>

Eastern began their season with a road trip to Decatur and Bloomington on consecutive nights to play Millikin and Illinois Wesleyan. The Eastern team was soundly defeated by both schools with Wesleyan defeating them, 71-17.

They returned home to play Westfield College whom they defeated easily, 65-10. Three more home games resulted in losses to Illinois State Normal and Illinois Wesleyan and a victory over Shelbyville High School, 36-30.

Eastern lost the final three games of the season. They were defeated twice by Indiana Normal and once by Millikin University. However, only two points separated the teams in each of the final three games. The team showed a decided improvement during the final games of the year.<sup>13</sup>

#### WON 9 1913-1914 LOST 4

The 1913-1914 season is one of uncertainties as far as records are concerned. There was no scorebook, yearbook, or school newspaper available. The two city newspapers have no records dating back to this period of time due to various reasons. The only record available was a list of scores and opponents listed by a former Eastern Illinois student, Melvin E. Alexander,

which was done for Dr. Charles Lantz in one of his classes. However, telephone conversations with two of the former members of the team, Maurice Hampton and Horace McIntyre, seem to indicate that the scores given by Mr. Alexander for this season may be incorrect. However, the two former members of the team have no record of the games. Therefore, the writer had to accept the records of Mr. Alexander as being correct.

The squad members, as listed by Mr. Hampton and Mr. McIntyre, included Maurice Hampton, Roscoe Hampton, Horace McIntyre, Glenn Randolph, Gordon Cook, and Summer Wilson. There is considerable doubt that this constitutes the entire squad for the 1913-1914 season, however.<sup>14</sup>

Mr. Alexander's records indicate that Southern Illinois and Sparks Business College were each defeated twice. The Illinois Sophomores were defeated, 27-13. Other victories were registered over Centralia High School, Charleston High School, Westfield College, and Indiana Normal. Westfield College, Sparks Business College, Illinois State Normal, and Millikin defeated the local college.<sup>15</sup>

This one year is the only season up to the present time, 1959, which cannot be substantiated by other records.

#### NOV 14 1914-1915 LOST 3

When the call for prospective basketball players was given in November by Dr. Lantz, Captain Maurice Hampton, Earl Anderson, Robert Kruse, Summer Wilson, Fred Endsley, Roscoe Hampton, Bill Hauser, F. Davis, and Edward Harris reported for practice.<sup>16</sup>

---

<sup>14</sup>Telephone conversation with Maurice Hampton, 24, 1959.

<sup>15</sup>Telephone conversation with Maurice Hampton, 24, 1959.

The prospects for a successful season were promising and the fans were not to be disappointed. Dr. Lantz stated:

The little old gymnasium became a busy place and with the interest increasing from year to year in basketball it was not only a busy place but a popular place. One of the problems that we had was seating capacity, as we had four rows of seats on each side which would seat about four hundred.<sup>17</sup>

Eastern opened the season with five consecutive victories at home. The most outstanding performance was a victory over Southern Normal University, 38-3. The team continued their winning ways. By February 17th, they had compiled an amazing record of twelve wins and no defeats. On February 19th, Eastern suffered their first defeat when they lost to Lincoln College on the opposing floor, 42-12. The next two games resulted in wins over Eureka College and Sparks Business College. With only two games remaining on the schedule, the local team had a record of fourteen wins and one loss. However, they were defeated by Millikin and Hedding in their final two performances of the campaign.<sup>18</sup>

This record of fourteen wins and three losses is still one of the outstanding records recorded by an Eastern team up to 1959.

There were several interesting features of the game during this period of years. Dr. Lantz clarified some of the features by stating:

The teams in the early years of the game usually averaged about five feet-ten inches in height. Each team usually had only one or two good offensive players. The defensive man assigned to guard the outstanding offensive man usually made no attempt to score himself. All teams concentrated on the College Tournament held during the year. There were often as many as seventeen teams entered. The tournament usually started on Wednesday and ended on Saturday. Five or six games might be played in one day.<sup>19</sup>

NOV 16 1915-1916 LOST 9\*

Captain Earl Anderson, Fred Endsley, Edward Harris, and Roscoe Hampton were returnees from the previous season. Other squad members included Steve Turner, Eric Brown, Otto Schmaelzle, Marvin Schahner, Byron Markle, and Leroy High.<sup>20</sup>

Eastern opened the season with four consecutive victories over the Alumni, Southern Illinois Normal, and Charleston High School, twice. The team traveled to Bloomington to play Illinois Wesleyan on January 7th and was soundly defeated, 33-16. The local team suffered two additional defeats before winning over Sparks Business College to end a three game losing streak.

On a road trip to Carbondale on January 28th, Eastern defeated Southern Illinois for the eighth consecutive time over a five year period.

The regular season ended with Eastern compiling a record of thirteen wins and seven losses.

The Conference Tournament was held at Bloomington on March 1-4th. Eastern won three consecutive games defeating Lombard, Shurtleff, and Millikin University on successive days. However, Williams and Vashti of Aledo handed the team their first loss of the tournament, 37-30, and Millikin ended the season for the Eastern Illinois team by defeating them, 21-10.<sup>21</sup>

The tourney highlights recorded by the Normal School News were as follows:

Earl Anderson of Normal was placed on the first team of the all star team. He was the high scorer of the tourney with 97 points in five games. He is also the best point-maker in the

conference. Although winning three games, E.I. finished 5th in the conference tourney.<sup>22</sup>

The individual highlights of the season were Earl Anderson's performance against Blackburn College and Southern Illinois. He scored thirteen field goals and seven free throws for 33 points against Southern<sup>23</sup> and seventeen field goals and one free throw for 35 points against Blackburn.<sup>24</sup>

Dr. Lantz stated: Earl Anderson was an outstanding player both on offense and defense. He was about six feet tall and was an excellent rebounder.<sup>25</sup>

During this period, the one handed shot was used under the basket. However, the two handed shot was used when the players attempted to score from a distance of ten feet or more. The long shot was probably more prevalent than in modern day basketball.<sup>26</sup>

Before the season opened in 1916-1917, the seats in the Pemberton Hall Gymnasium had been rebuilt to give the participating teams more floor space. This improvement enabled the team to compete on a level with other colleges who had larger gyms.<sup>27</sup>

Earl Anderson had transferred to the University of Illinois, but Captain Steven Turner, Otto Schmaelzle, Roscoe Hampton, Marvin Schahrer, and Byron Markle returned from the previous year. Additional squad members

Eastern Illinois State Normal opened the season with a victory over Southern Illinois, 21-9, and ended the regular campaign with a win over Illinois College, 30-17. In between these two victories were four consecutive defeats and five straight wins.

Sparks Business College and Eastern divided four games. One of the major victories for Eastern was a win over Millikin University in the local gymnasium, 26-22. When the local college traveled to Southern on February 16th, they were in search of their tenth straight victory over the host school over a period of six years. However, Southern Illinois won the game, 27-21.<sup>29</sup>

In the tournament of Minor Colleges played at Decatur on March 1st and 2nd, Eastern added wins over Millikin and Illinois Wesleyan, but they lost to St. Viators' and Illinois Wesleyan.

In the first division of the Minor College Conference Tournament, Steven Turner of Eastern made the second team all-star team.<sup>30</sup>

trifling to exist at Eastern Illinois State Normal.

At the start of the season, Leslie Cook was the only player with previous varsity experience. Hubert McKenzie, Floyd Wilson, Ralph Adams, and Herbert Anderson enrolled late. Clyde Leathers and Truman May completed the varsity squad.<sup>32</sup>

Highlights of the regular season included a one point loss to Carbonale in the opening game of the season, a win over Illinois Wesleyan, 19-18, and a victory over Sparks Business College, 35-24. These two games proved to be the only victories for Eastern Illinois State Normal during the regular season as they won only two of nine games played.

At the Little Nineteen Annual Tourney played at Bloomington on March 7th and 8th, the team won third place in the minor division by defeating Carthage, losing to McKendree, 26-19, and defeating Hedding, 37-12. The 1919 Arbler stated:

McKendree beat us in the semi-finals, 26-19, after three E. I. players were disqualified on personals. Only four of the seven E.I. men were eligible to play and so the game was finished with four E.I. players against McKendree's regular five.<sup>33</sup>

#### NON 9 1919-1920 LOST 10

Prospects for the season were brightened by the return of Merrill McCabe, McKinley Turner, and Steven Turner of the 1916-1917 squad. Floyd Wilson, Hubert McKenzie, Ralph Adams, and Truman May were returnees from the previous season. Paul Schnitzer, Clyde Leathers, and James Lynch completed the squad.<sup>34</sup>

The opening game of the season resulted in a win over the Charleston Independents, 42-14, but four consecutive games were then lost including a defeat by Millikin University, 42-13. Sparks Business College was defeated three times in five games during the regular season. Other victories included two wins over Indiana Normal, McKendree, 35-12, and Rose Poly. Defeats included losses to Illinois Wesleyan by one point, Millikin, and Rose Poly.<sup>35</sup>

In the Conference Tournament at Rock Island on March 11th and 12th, Eastern Illinois State Normal was eliminated by Millikin, 42-30, after defeating Bradley, 44-25, and losing to Lombard, 25-24.<sup>36</sup>

At a meeting at Peoria on April 19th, the Little Nineteen was dissolved, being succeeded by the Illinois Intercollegiate Athletic Conference with Knox, Monmouth, Northwestern (Naperville), and DeKalb Normal School as new members. Only schools offering four year courses leading to degrees may join as active members. Colleges with two year courses may join as associate members.<sup>37</sup>

#### WON 4 1920-1921 LOST 11

Only two lettermen, Captain Jimmy Lynch and Clyde Leathers, returned from the previous season. As a result, inexperienced men had to fill important positions on the team. Arthur McCall, Perry Rawland, Carroll Dunn, Richard Fawley, Oren Swope, and Charles Prather made up the balance of the squad.<sup>38</sup>

The Eastern Illinois State Normal team opened the season with a victory over National Trust Bank of Charleston, 33-26, on December 15th, but they lost four consecutive games before defeating Sparks Business College on

The only other game won during the regular season was over the Madison Independents on February 24th, 35-9. Millikin, Southern Illinois Normal, Ross High, St. Viators', and Illinois State Normal were some of the colleges who easily defeated the squad from Eastern.

The Conference Tourney was played at Decatur on March 3rd and 4th. McKenree was defeated, 22-18, but Northern and Illinois College defeated Eastern in the next two games to eliminate them from further competition.<sup>39</sup>

#### NON 2 1921-1922 LOST 12

The total enrollment of boys in the Eastern Illinois State Teachers College for the second term was 160. Only 59 boys were eligible for the varsity with only six above the second year of college, and 36 in their first year of college.<sup>40</sup>

The Teachers College News stated:

Never before has the smallness of our gymnasium been such a handicap. Girls and boys' gym classes and two basketball teams, make it impossible for long practice. This year the varsity squad is unusually large and the men cannot get the necessary practice. Coach Lantz is trying to help the situation by giving weekly "chalk talks" which will be of great help to the team.<sup>41</sup>

Dr. Lantz stated: "It was decided we needed a balcony so the students raised the money and did the work to build a balcony which would seat about three hundred more people. This was in January 1922."<sup>42</sup>

Richard Farley, Carroll Dunn, Jimmy Lynch, and Owen Joop were returning varsity players from the previous year. The remainder of the varsity squad included Floyd Wilson, Albert Grove, Harold Snyder, Carol Black, and

Greathouse, and Joe Muchmore.

The inability of the squad to score resulted in the poor record of three wins and twelve losses. The team lost seven consecutive games at the beginning of the year before defeating Sparks Business College, 31-21. Only two other games resulted in victories for Eastern Illinois State Teachers College. The Kansas Independents and Sparks Business College were defeated near the end of the season, 54-6 and 33-15. Double victories were registered by St. Viators' and Southern Illinois Normal during the regular season. Millikin won their seventh straight contest from Eastern since 1917. The season ended with a loss to Lincoln College, 40-24.<sup>43</sup>

Several rule changes were in operation for this season. The Teachers College News reported:

The recent changes in basketball rules are the greatest that have been made for ten or fifteen years. The side making a technical foul must give their opponents the ball out of bounds instead of allowing them a free throw. The side making a personal foul must give their opponents two free throws instead of only one as the rule used to be. The probable effect of the new rules will be a smaller number of free throws. The things toward which the rules committee are working are cleaner games and few victories by inferior teams with good foul shooters.<sup>44</sup>

#### WON 4 1922-1923 LOST 13

When Dr. Lantz scheduled the first practice, prospects seemed to be better than in some of the previous years. Captain Forrest Greathouse, Clarence Towles, Harold Snyder, and Richard Farley were returning varsity players.

Eastern Illinois State Teachers College won three of the first six games played during the season defeating Lincoln College, Sparks Business College,

and 1923-24. However, the 1923-24 season was a very successful one for the team as on during this season.

Many of the scores were comparatively close. The visitors' on the contests by margins of one and four points. Southern Illinois won one contest by four points; and Lincoln College defeated the local school by two points.<sup>5</sup>

Here major rule changes included:

1. 4 technical fouls have been removed from the classification of rules and are now violations, the penalty for violations being to give possession of the ball to the non-offending team at the nearest point on the side (not on the end) out of bounds.
2. The most important revision relates to the creation of the 17 ft. goal zone in which all personal fouls committed by the defending team result in the non-offending team being given two free throws.<sup>40</sup>

#### NOV 7 1923-1924 LCST 9

The returning squad members from the previous season were Clayton Towles, Starr Cochran, Eric Brown, Hugh Osborn, and Ogden Brainard.

The Eastern Illinois State Teachers College team did exceedingly well considering that the first six games resulted in losses by rather large scores. However, on January 26th, the team won an upset victory over Millikin University, 23-20. They trailed at the half, 15-10, but came back strong in the second half to gain the victory. Eastern Illinois State Teachers College had not defeated Millikin University since 1917.<sup>47</sup>

The varsity team completed the season by winning six of their remaining nine games. Illinois Normal, Indiana Normal, Starke Business College, Shurtleff, and Southern Illinois were the victims. Only Danville Normal, Northern Normal, and Rose Poly were able to defeat the local college. (See Table 1)

The Eastern Illinois Teachers College enjoyed one of their most successful seasons in several years by compiling an impressive record of ten wins and three losses.

Ruel Hall, Maurice Foreman, Starr Cochran, Eric Brown, Robert McCall, Hugh Osborn, and Joseph Muchmore were returning squad members from the previous year.

The local college team won seven consecutive games before losing to Millikin University on the Charleston floor, 34-25. The first seven games included two wins over Illinois Normal and single victories over Millikin and Southern Illinois.<sup>49</sup>

After defeating Rose Poly, Southern Illinois and Illinois College defeated Eastern by scores of 25-24 and 18-17. However, the final two games of the season resulted in wins over Shurtleff and Illinois College.<sup>50</sup>

WON 7 1925-1926 LOST 8

The handicap of playing in a small gymnasium resulted in several defeats by other colleges. The Teachers College News reported:

Of course the E.I. playing court should come in for another round of vituperation. Most fans realize by now that the Lantzmen had only slight chances of winning their road games since they were played on spacious floors.<sup>51</sup>

Squad members reporting for practice from last years squad included Captain Maurice Foreman, Andrew Neurlot, and Mayne Cooper. The Teachers College opened with a win over Rose Poly, 31-24, but then lost to the Alumni and Danville Indiana Normal. Last year on two games over Rose Poly.

#### ON 12 1926-1927 LCST 5

The Eastern Illinois State Teachers College had a comparatively successful season. The team won seven and lost five in the conference. Several lettermen returned to school from the previous year, including Maurice Foreman, Wayne Cooper, Sherman Gilmore, and Robert Morsham.<sup>53</sup>

The season opened with a conquest of Rose Poly, 33-20, and ended with a victory over Sparks Business College, 27-20. The only colleges to defeat the local school were Illinois Normal, Shurtleff, McKendree College, and Southern Illinois.

The two defeats by Southern were outstanding games. The first game was lost, 25-24, after two overtimes, and the second, 24-23 in one overtime.<sup>54</sup>

Eastern registered double wins over Sparks Business College, Rose Poly, and Illinois College. Other teams to be defeated during the season were the Alumni, Bradley, Millikin University, Shurtleff, McKendree, and Illinois Normal.<sup>55</sup>

One unusual game was played at Terre Haute against Rose Poly. After Rose Poly led at half-time, 22-7, Eastern came back to annex the victory, 37-36.

The Eastern Illinois State Teachers College "Panthers"<sup>68</sup> opened the basketball season with several veterans from the previous season. Captain Stanley Wasem, Joseph Hall, and Alwin Von Behren were the returnees. However, Hall and Rene McClain dropped out of school at the end of the first semester. The Warbler of 1931 stated: "A stiff schedule, the loss of two star players at mid-season, and a "cracker-box" gym for home games and practice all contributed to the poor showing."<sup>69</sup>

The outstanding feat of the season for Eastern was a victory over a strong Indiana State Normal team, 34-29. After winning only two of eight conference games the previous season, the Lantzenmen completed a most successful season by winning five of eleven conference games, and twelve of twenty-two total games.

The highlight of the season was an overtime victory over Indiana State Normal played at Terre Haute, Indiana, 22-19. Indiana Normal was one of the leaders of intercollegiate basketball in Indiana having defeated the great Butler five' during the season.<sup>72</sup>

The returning veterans from the previous season were Captain Alvin Von Behren, Logan Fearn, Harmon Grafton, Carl Hance, and Woodron Viseur.

The "Panthers" probably played one of their best games when they defeated Illinois State Normal, 39-36. State Normal was the defending champions of the conference and this defeat prevented them from repeating.

In the conference, Eastern won single games from Illinois State Normal, Northern Illinois, and McKendree, and added two wins over Southern Illinois. Single defeats were suffered at the hands of Illinois State Normal, McKendree, and Millikin University. Shurtleff was the only school in the conference to defeat the "Panthers" twice.<sup>73</sup>

Eastern was defeated at the Teachers College Forum at Normal by Illinois State Normal, 26-23, and Eastern Illinois, 32-26.

Howard Ballard, a freshman at the Eastern Illinois State Teachers College, was placed on the Associate Press All-Star team at a forward position on the

second team.<sup>74</sup>

ON 10 1932-1933 LOST 13

The Eastern Illinois State Teachers College Basketball team of 1932-1933 experienced one of their best seasons in conference play in many years. The team won seven of eleven games played within the conference.

Prospects were bright when the season opened with such performers as Howard Ballard, Francis Walker, Alvin Von Behren, and Melvin Alexander returning from the previous season.<sup>75</sup>

The highlights of the season included a 42-38 overtime defeat of Southern Illinois Normal University, winners of the Teachers College Tournament, and a 41-38 victory over Northern at DeKalb.

The "Lantzmen" won five consecutive games at midseason. The winning streak began with a 43-37 victory over Shurtleff. This defeat of Shurtleff was followed with wins over Hanover, Northern Illinois, Springfield Junior College, and McKendree. Shurtleff finally stopped the "Panthers" February 11th, 44-41.<sup>76</sup>

Eastern was defeated at Macomb in the Teachers College Tournament by Illinois State Normal, 41-30, and Western Illinois, 43-26.

Howard Ballard made a third team forward berth on the team selected by I.I.A.C. coaches and a forward position on the second all-star team at the Teachers College Tourney.<sup>77</sup>

Eastern was a serious contender for the Little Nineteen title for the balance of the season. However, four consecutive conference losses at the end of the season pushed the "Panthers" down and they finished with a record of five wins and six losses in the Illinois Intercollegiate Athletic Conference.<sup>7</sup>

After defeating Indiana State Normal in the "character-box" at Charleston, the Hoosiers' reversed the decision three weeks later at Terre Haute with an easy win over the Panthers, 65-16.

Eastern scored double victories over Oakland City College and Shurtleff during the season. However, Indiana Danville Central Normal, Southern Illinois, and McKendree each defeated the Panthers' twice. One of the losses to McKendree, February 20th, concluded the season as Eastern went down to defeat in a hard fought contest, 39-30.<sup>8</sup>

The scoring record for the conference (Peabody High Gymnasium) was broken when the "Panthers" recorded a victory over Jonesboro, Arkansas on January 9th, 1935-27. Probably the most thrilling game of the season was played with Illinois Normal in the local gymnasium. Eastern was trailing at one time, 23-8, but rallied, only to lose, 31-23.<sup>34</sup>

Victories were recorded during the season over such colleges as Danville Indiana Central, (1 overtime), Cape Girardeau, Southern Illinois, and Shurtleff. However, Illinois State Normal, McKendree, and Indiana State each defeated the "Panthers" twice during the season.<sup>34</sup>

This was the last year that Dr. Lantz coached basketball during this era. However, he did coach basketball one other year at Eastern during the 1942-1943 season.

### Summary of Chapter III

Dr. Charles Lantz coached basketball at the Eastern Illinois Teachers College during this era for twenty-three years. The only season excluded from 1911-1935 was the year 1917-1918, when no games were played. During this time, Eastern basketball teams compiled a record of 139 wins and 200 losses. This record was outstanding when all the facts are considered. In the earlier years of the sport, Eastern had only one year beyond high school and for several years after that only two years beyond high school. Many of the colleges who were played had a four year college curriculum. Therefore, the opponents of Eastern often had older and more experienced players participating.

## CHAPTER IV

### BASKETBALL ERA IMMEDIATELY PRECEDING WORLD WAR II FROM 1935-1942

This chapter describes the history of basketball at the Eastern Illinois State Teachers College during the basketball season, 1935-1936, when the team was coached by Winfred Scott Angus and during the reign of Gilbert Carson, 1936-1942.

#### WON 7 1935-1936 LOST 12

Winfred Scott Angus replaced Dr. Charles P. Lantz as basketball coach of the Eastern Illinois State Teachers College. Mr. Angus had received a Master of Science Degree at the University of Illinois.<sup>35</sup>

Among the candidates for the 1935-1936 squad were six members of the squad from the previous season. Russell Curry, Carl Shaw, Robert Holmes, Myron Tedrick, Osmond Brown, and Jack Austin were the returnees.<sup>36</sup>

The team showed steady improvement as they finished the season with three consecutive wins over Oakland City College, Rose Poly, and Southern Illinois.

Indiana State won over the "Panthers", 60-39, as they administered the worst defeat of the year for Eastern. The greatest scoring splurge for Eastern was a win over Rose Poly, 54-24, played at Charleston, February 7th.

After defeating Sparks Business College in the first game of the season, 43-22, the "Panthers" were defeated by the same team, 42-1, at

Illinois Normal and Southern Illinois each defeated the local team twice during the regular season.

At the end of the season, Mr. Angus resigned as basketball coach. He was replaced by Gilbert Carson.<sup>87</sup>

Coach Gilbert Carson graduated from Southern Illinois Normal University. Mr. Carson was selected as an All-State Little 19 tackle in football at the Carbondale school. After attending Southern California for one semester, he returned to Illinois to coach in a high school in southern Illinois.<sup>88</sup>

When Coach Carson issued the call for basketball candidates, only Captain Russell Curry and Robert Holmes reported from the year before.

The squad lacked needed experience which resulted in a disastrous season. The "Panthers" were able to garner only three wins in seventeen games. Although many of the games were lost by narrow margins, records indicate that this was the poorest season, based on percentage, that any basketball team at Eastern Illinois Teachers College had experienced since the game was initiated in 1909.

The only victories of the season were registered over Sparks Business College once and Shurtleff twice. Many close games were played, but the "Panthers" could not seem to smooth out their offense and defense. Such losses included: Carbondale, At Charleston, 55-50, after two overtimes; Illinois State Normal, 34-32; St. Viators', 50-46; Indiana State Teachers, 34-29.<sup>89</sup>

WON 3 1937-1938 LOST 13

Records indicate that the Eastern Illinois Teachers College played their last game in the so-called "cracker-box" in Pemberton Hall on March 11th, 1938. The new gymnasium was to be completed in time to open the 1938-1939 basketball season. These same records indicate that the "Panthers" lost to Northern, 48-38.<sup>90</sup>

The continued criticism of the old gymnasium was soon to be ended. It had been the scene of many fast and exciting games in preceding years, but due to crowded conditions, a lack of floor-space, and the small seating capacity, was soon to be abandoned as a site for college basketball games.<sup>91</sup>

The 1937-1938 basketball season was almost an exact duplicate of the previous year. Sixteen games were played with the "Panthers" winning only three. The returning squad members were William Waldrip, Herschel Jones, and Paul Wiegand. Waldrip was actually the only member of the squad with previous varsity experience.<sup>92</sup>

Of the three games won, Indiana State Normal was defeated twice, 36-34, and 45-42, and St. Viators' once, 41-34.

Southern Illinois, who defeated the "Panthers" twice, registered the largest point total, 61-47, at Carbondale, February 2nd.

Other schools to register double victories over Eastern during the season were Sparks Business College, Northern Illinois, Indiana Central Normal, and Illinois Normal.<sup>93</sup>

Wilson Day, Linder DeVore, Thomas Haggerty, Paul Henry, Robert Mirus, Herschel Jones, and Raymond Suddarth from the 1937-1938 team, seemed to indicate that prospects might be somewhat better than in previous years.<sup>94</sup>

In a dedication game played in the new "Lantz" gymnasium, Southern Illinois Normal University was defeated, 49-36, with "Bill" Glenn scoring 19 points for the "Panthers."<sup>95</sup>

The new gymnasium was an outstanding contribution to basketball teams at Eastern. Dr. Lantz stated: "The new gymnasium completed in 1938 was a godsend as the dressing facilities in the old gymnasium were very inadequate for the number of men in college."<sup>96</sup>

The victory production of 6 equalled the total number of games won during the two previous seasons. However, thirteen games resulted in losses for the "Panthers."

The outstanding performance was probably registered in a win over Millikin, 46-36, played at Charleston, January 4th. However, the Chicago Teachers was the only team to be defeated twice. On the other hand, Indiana State Teachers, Northern Illinois Teachers, Western Illinois, and Illinois State Normal each won two games from the "Panthers."<sup>97</sup>

Ray Suddarth scored 178 points to lead the team in scoring. His point totals in the conference were sufficient to capture ninth place in the scoring race.<sup>98</sup>

The squad was composed of several returnees from the previous year. William Glenn, Raymond Suddarth, Paul Henry, Wilson Day, Robert Mirus, and Howard Skidmore were included in this group. Orval Spurlin, a transfer from the University of Illinois, also gave the team the added strength needed to furnish opponents with stiff opposition.<sup>99</sup>

Although Eastern lost eleven games during the season, ten of those eleven were lost by margins of four points or less.

After Eastern opened the season with wins over Millikin and Indiana State, Washington University of St. Louis defeated the "Panthers", 37-35, in an overtime. Millikin was defeated a second time during the season, but Indiana State gained revenge by winning at Terre Haute, 34-31.

Northern Illinois was the first conference opponent to be defeated, January 11th. However, Eastern lost three straight games before finally defeating a team from Mexico City. The Warbler stated: "A capacity crowd watched a scrappy Mexico City team battle valiently against E.I.'s taller team only to lose 52-42."<sup>100</sup>

After another three game losing streak, Western Illinois was defeated, 56-44. This same team won over the "Panthers" in the final conference game of the year, 57-54.

Individually speaking, Orval Spurlin led the conference scoring race for the first half of the season, but suffered a sprained wrist and finished seventh. William Glenn with 97 points, one more than Spurlin, finished sixth.<sup>101</sup>

Eastern Illinois State Teachers College ended the regular season winning eight of fifteen regularly scheduled games. However, the team toured Mexico and lost two of the three games played. This combined record indicates that the team finished the season winning nine of eighteen games played.<sup>102</sup>

The scorebook for this season indicates that the "starting five" were all seniors who had lettered the previous season. These five, Orval Spurlin, William Glenn, Ray Suddarth, Paul Henry, and Wilson Day, and returnees from the previous season, Robert Mirus, William Byrd, Hugh Phipps, Victor Seaton, and Howard Skidmore, failed to annex the Little Nineteen championship as many followers had expected. However, this was the best record compiled by an Eastern Illinois squad since 1934-1935.<sup>103</sup>

In conference games, the local college split games with Western Illinois and Illinois State Normal. Southern Illinois was defeated twice, 36-35 and 48-46. Northern Illinois of DeKalb easily defeated the "Panthers" twice during the season.

Three games were played on the tour to Mexico. Losses were to the New Mexico Teachers and the Chihauhau "Dorados". The lone victory was recorded over Chihauhau, Mexico, 75-64.<sup>104</sup>

WON 7 1941-1942 LOST 11

Due to the graduation of several varsity men the previous year, only Larry Walker, William Byrd, Hugh Phipps, and John Lewis were familiar performers to the students at the Eastern Illinois State Teachers College. Only Larry Walker had played varsity basketball to any great degree.<sup>105</sup>

The "Panthers" lost four games in succession before finally defeating Kansas State at Charleston, 45-44. Records indicate that eight of the first nine games resulted in losses to opposing teams.

The highlight of the season was two victories over Southern Illinois, 45-38 and 41-26. The "Panthers" revenged early season losses by Millikin and Western Illinois. However, Northern Illinois, Illinois Normal, Indiana State Normal, and Chanute Field each posted two wins over Eastern during the year.<sup>106</sup>

#### Summary of Chapter IV

Coach Gilbert Carson resigned as basketball coach of the Eastern Illinois State Teachers College at the completion of the 1941-1942 season. His teams compiled a record of 37 wins and 71 losses over a period of six years.

His predecessor, Mr. Winfred Angus, who coached basketball at Eastern only one year, won 7 games and lost 12.

and Illinois Journal.<sup>109</sup>

One of the highlights of the season was a game played at Charleston with the University of Illinois Freshmen. The game attracted the largest crowd of the season as they saw "Duke" Radleman score 21 points to lead the Illinois squad to a win over the Eastern varsity, 31-14.

Andrew Sullivan led the Eastern team in scoring for the season with 155 points. Richard Lehr tallied 152.<sup>110</sup>

#### NOV 7 1940-1941 LOST 9

Many of Eastern's finest athletes were called into the service before the basketball season opened. Despite the shortage of men in school, Dr. Lantz took over the duties as basketball coach once more. Dr. Lantz had delegated this job to younger men after the 1934-1935 season, but the shortage of personnel in the physical education department forced him to resume many other duties.<sup>111</sup>

Only Charles McCord and Andrew Sullivan were returning lettermen from the previous season. The remainder of the squad was composed mainly of freshmen.<sup>112</sup>

Conference victories during the season were registered over Southern Illinois, 46-40 and 31-31, Western Illinois, 56-40 and 44-42, and Northern Illinois, 72-40. One of the victories over Southern was not a conference contest.

The 72 points scored against Northern represented the highest total points scored by an Eastern backed all team since 1917-18 season.

Arkansas as defeated, 105-27.

The Panthers' won four of eight scheduled conference games and tied with Northern Illinois for third place in the final standings.<sup>113</sup>

#### 10.7 1944-1945 LOST 12

Late in the fall of 1944, James F. Goff was hired as basketball coach and assistant football coach at Eastern. Mr. Goff, former head basketball coach at Millikin University, was a graduate of Illinois Normal, where he lettered in football, basketball, baseball, track, and tennis. Since Millikins' coaching staff was disbanded when all athletics were dropped, Mr. Goff had been pitching baseball with Kansas City in the American Association.<sup>114</sup>

Andrew Sullivan was the only returning letterman from the previous season.<sup>115</sup>

The highlight of the season was a second place trophy acquired in an eight team Midwest Invitational Tourney at Terre Haute, Indiana. In this tournament, Eastern defeated Miami University of Ohio on December 22nd, 46-30, and Indiana State on the following day, 39-38. Murray State of Kentucky defeated the "Panthers" in the finals, 39-37, to annex the crown.<sup>116</sup>

In the conference, Eastern won three of eight games played. Victories were recorded over Western Illinois, Illinois State Normal, and Southern Illinois.

On December 16th, the highest point total registered by an opponent, since the origin of the game at Eastern, was recorded when the Panthers were defeated by the Peoria Caterpillars, 77-17.

Andrew Sullivan won the conference scoring title with 118 points in eight games. Sullivan was elected as the outstanding player of the conference and was also named on the conference all-star team. Hal Craig, a freshman at Eastern, was also placed on the conference all-star team.<sup>117</sup>

WON 13 1945-1946 LOST 13

The squad that reported for practice for the 1945-1946 season consisted of nine players over six feet tall. Several players returned to school after their discharge from the military service. John Lewis, Dick Lehr, James Sullivan, and Bernard Hayton were included in this group. Andrew Sullivan was the only returning letterman, but Jim Johnson, Jack Miller, and Neal Hudson helped make the season a success.<sup>118</sup>

Although Eastern won only two of eight conference games, such opponents as Millikin, Illinois College, Camp Grant, and Illinois Wesleyan were each victims of two losses to the "Panthers" during the regular season.

One of the outstanding games played in Lantz Gymnasium was an overtime defeat by Peoria Caterpillar Tractor, 63-61.<sup>119</sup>

Summary of Chapter V

James Goff concluded his career as basketball coach at Eastern after the 1945-1946 season. During his two years of coaching at the school, the teams won 20 and lost 25.

Mr. Miller, who won 8 and lost 10 in 1942-1943, and Dr. Charles Lantz, winner of 7 of 16 games in 1943-1944, preceded Mr. Goff.

## CHAPTER VI

### THE ERA OF COACH WILLIAM A. HEALEY FROM 1946-1953

This chapter describes the era of William A. Healey from 1946-1953. Mr. Healey came to Charleston from Grosse Point High School in Detroit, Michigan, where he served as director of athletics for four years. His basketball teams at that high school won 51 and lost 17. Before moving to Michigan, Mr. Healey coached at Harvey and Blue Island, and won the Little Seven Conference Championship at Sycamore.

Coach Healey held a Masters' degree from Iowa University. His college days were spent at Whitewater State Teachers College where he played basketball and participated in track.<sup>120</sup>

Mr. Hesler stated:

Coach William Healey used a system of revolving and the fast break. His teams seldom average more than 6 feet-1 inch. Therefore, they had to depend on ball handling, shooting, and stealing the ball. The success enjoyed by his earlier teams might be contributed to the fact that 'Healeys' fast-break' basketball was not introduced into many other colleges until a later date. He usually acquired the players who could handle this style of basketball.<sup>121</sup>

#### WON 17 1946-1947 LOST 8

The seventeen games won during the season represented the largest number of victories for an Eastern team. The previous record was sixteen established by the 1914-1915 basketball squad.

The "Panthers" also took second place in the Illinois Intercollegiate

Athletic Conference winning five and losing three. Two costly defeats by Western Illinois prevented the team from winning the title. One of the highlights of the season was a conference victory over Southern Illinois, 57-44, which was played at Charleston on February 21st.<sup>122</sup>

Varsity players returning from the previous year were Jack Miller, Neal Hudson, John Lewis, Richard Lehr, and Jim Sullivan. Neal Hudson was selected as the most valuable player in the conference.

The standout crowd attraction of the season was a home game with the Harlem Globe Trotters won by Eastern, 70-41.<sup>123</sup>

The "Panthers" were selected to play in a post-season elimination tournament for a berth in the National Athletic Intercollegiate Association Tournament at Kansas City. They qualified for the berth by defeating Eureka, 55-45, and Millikin, 60-55.<sup>124</sup>

Although a number of Eastern students were in attendance, Eastern Illinois State Teachers College was eliminated when they lost a first round game to Southeastern Oklahoma, 53-42.<sup>125</sup>

#### WON 16 1947-1948 LOST 7

Prospects for the season were excellent and Eastern "fans" were not to be disappointed. Robert Olson, Jack Miller, Neal Hudson, Elmo Hilderbrand, Jim Sullivan, Lee Markwell, and Jack Hayworth returned from the previous successful season of 1946-1947.<sup>126</sup>

Only Indiana State and Southern Illinois University were able to defeat the "Panthers" at Lantz Gymnasium. In the conference, five of eight games played resulted in victories.

In a Holiday Tournament played at Terre Haute, Indiana, Eastern defeated Anderson College, Indiana, 83-67. However, Kirksville, Missouri was victorious over the local squad, 55-51. A defeat by Indiana State in the finals of the tournament was the only game lost by the Missouri College during the year.<sup>127</sup>

Although the Eastern squad did not return to Kansas City, Coach Healey's basketball team recorded the best percentage compiled by an Eastern team since 1924-1925.

The leading scorer in the conference was a freshman, Don Glover, who scored 95 points in eight games.<sup>128</sup>

WON 23 1948-1949 LOST 6

Eastern Illinois State College compiled a record of 23 wins and 6 losses. The 23 victories represented a new season high for a "Panther" team. The squad also tied Western Illinois for the Illinois Intercollegiate Athletic Conference crown by winning five games and losing three.. This was the first such title won by an Eastern basketball team.<sup>129</sup>

The returning lettermen of the previous season gave Coach Healey a nucleus from which to build a winning team. John Wilson, Don Glover, Jack Miller, Neal Hudson, Robert Olson, and Ray Demouline were the returnees.<sup>130</sup>

The "Panthers" won the Vincennes Invitational Tournament by defeating Southern Illinois University, 72-55, and Evansville College, 84-67. John Wilson of Eastern was named to the all-star tournament team.<sup>131</sup>

A state championship was won when Wheaton and Illinois Wesleyan were defeated. John Wilson, Neal Hudson, and Robert Olson were named to the all-tournament team.<sup>132</sup>

Eastern traveled to Kansas City to participate in the "NAIA" Basketball Tournament for small colleges. After trailing Miami University by thirteen points, the "Panthers" went on to win, 89-73. San Jose State of California was defeated the next night, 81-75. In the quarterfinals, Beloit finally eliminated Eastern by a score of 65-64.

Tom Katsimpalis, a freshman reserve center from Eastern, scored 78 points in three games at the tournament. As a result, he was selected to the second team Little All-American Team which was selected by the National Association of Intercollegiate Basketball Committee.

John Wilson set a new individual season scoring record for an Eastern player by scoring 435 points in a single season.<sup>133</sup>

WON 21 1949-1950 LOST 5

The season was marked by several outstanding team and individual performances. The "starting five" for most of the season consisted of Donald Glover, John Wilson, Tom Katsimpalis, Ray Demoulin, and James Johnson.<sup>134</sup>

"Eastern's effectiveness as a team depended largely upon expert shooting, fine conditioning, and the cleverly manipulated Healey system of fast break, screen, and block."<sup>135</sup> This was the same type of offense that was initiated by Coach Healey when he became basketball coach in 1946-1947.

Outstanding games and performances were too numerous to mention. The percentage of .808 was the best ever recorded by an Eastern team. They also won six of eight conference games, to end up in a three way tie for first place.

The highlight of the season was a championship of the "NAIB" Pre-Holiday Tournament at Kansas City held on December 16th and 17th. The two teams defeated were Baldwin-Wallace and Regis College.<sup>136</sup>

The play-offs to determine who would make the trip to Kansas City were held at Lantz Gymnasium. Eastern emerged victorious by defeating Millikin, 88-69, and Southern Illinois University, 54-52. However, their third appearance at Kansas City resulted in a first round loss to River Falls Teachers of Wisconsin. Nate DeLong, second leading scorer in the nation, led the Wisconsin team to victory.<sup>137</sup>

Individually, for the season, Tom Katsimpalis broke the Lantz Gymnasium scoring record with 35 points against Millikin, and set a new individual season scoring record of 489 points. John Wilson received the Emil Liston Memorial Award as the outstanding junior participating in the "NAIB" Tournament at Kansas City. Don Glover was selected as the most valuable player by his teammates.

Tom Katsimpalis and John Wilson were selected on the first team in the "IIAC". Don Glover was placed on the second team.<sup>138</sup>

The "starting five" for the Panthers usually consisted of John Wilson, Donald Glover, Tom Katsimpalis, James Johnson, and Norman Patberg.<sup>140</sup>

Although the .826 won-lost percentage was the highest ever recorded by an Eastern squad, the team failed to win the District 20 National Association play-offs held at Champaign, Illinois. After defeating Millikin University twice relatively easy during the regular season, the Decatur team upset the Panthers, 74-73, in the finals of the play-offs. The Charleston school had qualified three times in the previous four years.<sup>141</sup>

Team records broken during the regular season included:

1. An average of 84 points per game--second in the nation.
2. The team and Lantz Gymnasium scoring record twice--107 points against Southern Illinois and 115 points against Quincy College.
3. The 107 points against Southern Illinois--new "ILAC" scoring record.
4. The 105 points at Central Michigan--new away-from-home mark for Eastern and ILAC play.
5. First place in free-throw percentage in the nation-71 per cent.<sup>142</sup>

Individual records included:

1. Norman Patberg--first in the nation in free throw percentage--84%.
2. John Wilson--1408 points in four years for an all-time scoring record at Eastern.<sup>143</sup>

Glover, Katsimpalis, and Johnson made the all-conference first team, and John Wilson was placed on the second team.<sup>144</sup>

Coach William A. Healey's basketball squad won 22 straight games during the regular season and annexed their second consecutive Interstate Inter-collegiate Athletic Conference title. This was the fourth straight year that Eastern had won or tied for the championship.<sup>145</sup>

The "starting five" consisted of Roger Dettro, James Johnson, Tom Katsimpalis, Norman Patberg, and Bobby Lee.<sup>146</sup>

The highlight of the season occurred in December at Kansas City when the "Panthers" won three consecutive games to win the "NAIB" pre-holiday tournament. Eastern defeated Emporia State, 88-74, Regis College of Denver, 91-79, and Hamline University in the finals, 76-62. The Eastern Alumnus stated: "Hamline sported a starting five averaging 6' 5" and pitted against Eastern's midgets who average a mere 5' 10½", it looked like a runaway for the Pipers. But it wasn't."<sup>147</sup>

For the second year in a row, Eastern was defeated by Millikin in the "NAIB" District 20 Playoffs at Champaign. However, the "Panthers" received a special invitation to participate at Kansas City on the basis of their record of 23 wins and 1 loss.<sup>148</sup>

In the tournament, Eastern tied a scoring record with a win over Huron College, 113-78. However, Morningside of Iowa eliminated them from further competition, 98-93.

Team records during the season included:

1. First team in the history of the "IIAC" to complete a conference schedule undefeated as they won 12 straight games.
2. New combined scoring total of 187 points for the Health Education Building in a 103-84 win over Illinois Normal.<sup>149</sup>

2. Tom Katsimpalis---38 points against Central Michigan for a new single game total.
3. Tom Katsimpalis---500 points in a single season.

Katsimpalis, Johnson, and Patberg made the first team and Lee and Dettro the second team on the "IIAC" all-conference team.<sup>150</sup>

WON 16 1952-1953 LOST 9

Although losing more games than any Eastern team in the last seven years, the "Panthers" still managed to win the "IIAC" championship with a record of nine wins and three losses. The varsity included Roger Dettro, Norman Patberg, Dwayne Roe, Martin Chilovich, Bobby Lee, and Ed Taylor.<sup>151</sup>

The major disappointment of the season was a defeat by Indiana State which ended a winning streak of 50 straight games for Eastern in Lantz Gymnasium. This string of victories extended from February, 1949, to February, 1953.<sup>152</sup>

The "Panthers" won the District 20 play-offs in Champaign by defeating Millikin and Illinois Wesleyan. Therefore, Coach Healey took his fifth team in the last seven years to the Kansas City Tournament.

After defeating Morris Harvey, 84-67, the "Panthers" were defeated by Hamline, 88-86, in one of the outstanding games of the tournament.<sup>153</sup>

As a team, Eastern ranked third in the nation in free throw accuracy in small colleges. They made 555 of 775 free throw attempts for 71.6 per cent.<sup>154</sup>

## Summary of Chapter VI

Coach William A. Healey resigned at the end of the 1952-1953 season and was replaced by Robert Carey. Mr. Healey coached 7 years at Eastern Illinois State College. His teams compiled an impressive record of 136 wins and 41 losses.

This period of years proved to be a new and different era in basketball as the trend changed from the control "type" basketball to the "fast-break" and "weave" offense. Mr. Healey initiated the latter trend in 1946-1947.

## CHAPTER VII

### THE ERA OF COACH ROBERT CAREY FROM 1953-1959

This chapter describes the era of Robert Carey from 1953 up to the present time of this writing, 1959.

Dr. Carey graduated from LaCrosse State in Wisconsin. He participated in football and track at that school. After a period of three years in the air force and one year in army occupation, Dr. Carey returned to LaCrosse as an assistant coach in football, basketball, and track for two years.

After those two years mentioned above, he coached at Negaunee High School in Michigan. In four years, his basketball teams won 55 and lost 22. The team went to the semi-finals of the state in his first year at that high school.

Dr. Carey received his Masters Degree at the University of Wisconsin in 1947 and a Doctors Degree from Indiana University in 1954.<sup>155</sup>

His ability to acquire boys from high school who were relatively unheard of before and develop them into college material has been largely responsible for his success.

#### WON 17 1953-1954 LOST 6

The prospects for the 1953-1954 season were not as promising as in former years as coach Robert Carey took over the reigns as basketball coach of Eastern Illinois State College.

Although Dean Brauer, Ron Claussen, Kenny Ludwig, Martin Chilovich, Robert Gosnell, Bill Parmentier, and Richard McDonald returned from the

<sup>155</sup> Personal Interview with Dr. Robert Carey, August 5, 1958.

previous season, only Ludwig and Chilovich had had much previous varsity experience.<sup>156</sup>

Even under those circumstances, the squad won ten of twelve conference games played to annex the Interstate Intercollegiate Athletic Conference basketball championship. This was the sixth consecutive time that Eastern had won or shared the conference title.<sup>157</sup>

Outstanding games in the conference included wins over Southern Illinois University, 69-67 and 64-60, and Western Illinois, 88-77 and 82-80. The only conference defeats were administered by Illinois Normal, 96-95, and Central Michigan, 72-69.

Indiana State defeated the "Panthers", 68-66, to administer the only loss suffered by Eastern on their home floor. The "Sycamores" are still the only team to defeat Eastern at Lantz Gymnasium since 1949. They have accomplished this feat three times.<sup>158</sup>

Millikin University eliminated the "Panthers" from further competition in the "NAIA" play-offs at Champaign, 95-68.

Individually, Dean Brauer led the scoring with 399 points. Ken Ludwig hit 95 of 116 free throws to lead the team in that department. Martin Chilovich was selected as most valuable by his teammates, and was nominated by District 20 for "NAIA" honors.<sup>159</sup>

#### WON 11 1954-1955 LOST 10

Although Coach Carey's "Panthers" did not perform as well as the team of 1953-1954, they managed to end the season over the .500 percentage mark.

Their conference record of five wins and seven losses placed them in a tie for fourth place with Illinois Normal, as Western Illinois won the title.<sup>160</sup>

The returning squad members included Dean Brauer, Kenny Ludwig, Robert Gosnell, Jack Kenny, Ron Claussen, Lloyd Ludwig, and Kermit Radloff. After Dean Brauer injured his knee in the fifth game of the season, Radloff replaced him on the "starting five."<sup>161</sup>

The "Panthers" opened the season with four consecutive wins over non-league foes. However, Brauer, who was averaging almost 30 points a game, injured his knee in the first conference game against Southern Illinois. He participated in only four more games the entire season.

Highlights of the season included wins over Southern Illinois University, 84-60 and 80-79, Northern Illinois (coached by former Eastern coach, William Healey), 98-84 and 90-56, Indiana State, 88-79, and Indiana Central, 102-69.

Although Western defeated Eastern twice, the second game played at Macomb resulted in only a four point loss to the conference champs. The season was concluded with a win over Millikin at Decatur, 82-79.<sup>162</sup>

The team averaged 83.3 points per game for the season.<sup>163</sup>

Individual highlights included:

1. Dean Brauer--34 points against Findlay, Ohio.
2. Ken Ludwig--free throw percentage of .776.
3. Kermit Radloff--field goal percentage of .411.<sup>164</sup>

Ken Ludwig was selected as a guard on the all-conference first team, and Jack Kenny was named as a forward on the second five.<sup>165</sup>

WON 17 1955-1956 LOST 8

After a mediocre season in 1954-1955, Eastern came back to win seventeen of twenty-five games during the 1955-1956 basketball season. The "Panthers" finished third in the conference with a record of seven wins and five losses.<sup>166</sup>

The returnees from the previous season were Dean Brauer, Robert Gosnell, and Lloyd Ludwig.<sup>167</sup>

Two disastrous losses in the conference came near the end of the season when Southern Illinois and Michigan Normal tallied wins over the "Panthers". Millikin also defeated Eastern twice during the season outside the conference.

Highlights of the season included wins over Central Michigan, 109-84, a new away-from-home high, and a win over Michigan Normal, 113-78. The "Panthers" scored over 100 points in three other contests.<sup>168</sup>

Individual records included:

1. Dean Brauer -- 514 points to break record held by Tom Katsimpalis.
2. Dean Brauer -- 222 field goals to break record held by Bobby Lee.
3. John Milholland -- 40 points in one game to break a record of 38 points held by Tom Katsimpalis and Dean Brauer.
4. Dean Brauer and John Milholland -- 17 field goals in one game bettering the record of 15 by Tom Katsimpalis.
5. John Milholland -- first sophomore to score over 400 points in a single season.
6. Dean Brauer -- 21.4 per game average for season.<sup>169</sup>

Dean Brauer was selected to the first team of the Interstate Conference. John Milholland was chosen on the second five, and Lloyd Ludwig received honorable mention.<sup>170</sup>

The Eastern returnees from the previous year included John Milholland, Frank Wolf, Lloyd Ludwig, Charles Session, and Neil Admire.

This group garnered three fourths during the season. They finished in a tie for fourth in the "IIAC", fourth in the Quincy Tournament, and fourth in the "NAIA" Tournament at Kansas City. Their record in the conference was five wins and seven losses.<sup>171</sup>

The outstanding accomplishment of the Eastern team took place at Kansas City in the NAIA Tournament. The "Panthers" supposedly had finished the season, but after Western Illinois received a direct invitation to Kansas City, Northern Illinois, who was second in the conference, refused to participate in the District 20 Play-offs at Macomb. Eastern Illinois then accepted and won the right to make the trip to the "NAIA" Tournament by defeating McKendree College and Millikin.

On March 12th, Eastern defeated Highland, New Mexico in a first round game at Kansas City, 88-76. The second round opponent was Villa Madonna of Kentucky. The Kansas City Star stated: "Eastern Illinois, this team which amazed the experts by getting to the tournament at all, became the first to advance to the quarter-finals today by racing past Villa Madonna, 110-78."<sup>172</sup>

In the next game, Hamline was defeated, 83-81. This victory by the "Panthers" advanced them to the semi-finals. Against Southeastern Oklahoma, Eastern led at the half, 48-36, but Jim Spivey, Southeastern's high-scoring center, scored 53 points to help stop the "Panthers", 95-81. Charles Session, one of Eastern's best defensive men, was unable to play because of a

Pacific Lutheran defeated the "Panthers" for third place, 87-85.

Mr. Carey stated: "This team hit its peak at the end of the season. They really found themselves at Southern Illinois about six games before the end of the season."<sup>174</sup>

Individual records for the season included:

1. John Milholland--653 points in one season to top the former record of 514.
2. John Milholland--284 field goals in one season.

John Milholland and Lloyd Ludwig were named to the All-Star Tournament Team of the National Association of Intercollegiate Basketball. Milholland was placed on the first team and Ludwig on the second "five".

Milholland was also named on the first "five" of the Interstate Conference. Ludwig received honorable mention and was selected as most valuable by his teammates.<sup>176</sup>

#### WON 17 1957-1958 LOST 9

John Milholland, Frank Wolf, Jerry Hise, B. J. Smith, and Kenneth Christiansen returned from the previous season.

The "Panthers" won seven of twelve conference games to share second place with Illinois Normal and Southern Illinois University.<sup>177</sup>

Within the conference, Eastern defeated Central Michigan and Eastern Michigan each twice. Western Illinois was the only conference team to win both games from the "Panthers."

The highest point total scored by an opposing team was 100 by Northern Illinois. The highest point total scored against an opponent was registered in a win over Millikin, 102-83.<sup>178</sup>

Eastern did not return to Kansas City as Quincy College eliminated them from further competition with a win in the finals of the "NAIA" District 20 Play-offs, 99-80.

Individual season accomplishments included:

1. John Milholland--1655 points in his collegiate career to better the old mark of **1538** established by Tom Katsimpalis.
2. Frank Wolf -- Voted most valuable by his teammates.

John Milholland and Frank Wolf were named to the 1958 All-Star Interstate Conference Team.<sup>179</sup>

WON 14 1958-1959 LOST 9

Jerry Hise, B. J. Smith, Kenneth Christiansen, Howard Long, Gary Pals. Ellis Noren, and Roger Beals were returnees from the previous season.

Although the "Panthers" could do no better than a tie for fourth place in the "IIAC" with a record of five wins and seven losses, several non-conference foes were defeated.<sup>180</sup>

Eastern defeated Southern Illinois, Western Illinois, Central Michigan, Eastern Michigan, and Northern Illinois in the conference. However, the preceding five teams each defeated the "Panthers" once during the season, and Illinois Normal won both contests played.

The highlight of the season was a victory over Millikin, 137-97. This one game total of 137 points broke the old mark of 115 points scored in the 1950-1951 season against Quincy College. Other new Eastern records

established during this game were:

1. Most points scored by two teams--234.
2. Most field goals by an Eastern team in one game--58.
3. Highest Eastern half-time score--66.
4. 56 points by B. J. Smith to establish a new individual high for one game, formerly held by John Milholland (40).
5. 25 field goals by B. J. Smith to establish another new record.<sup>181</sup>

The Warbler stated:

B. J. Smith was chosen to the NAIA All-American third team.-- Tied for most valuable in the IIAC with Western's Grady McCollum; chosen on the NAIA District 20 all-star team; elected as most valuable at Eastern; chosen to the all-IIAC team.<sup>182</sup>

#### Summary of Chapter VII

Dr. Robert A. Carey has coached the Eastern Illinois University basketball teams since 1953. He is still serving in that capacity up to the present time. (1959)

During his reign as coach (1953-1959), the Eastern teams have won 93 games and lost 55 for a percentage of .628.

## CHAPTER VIII

### RECOGNITION OF ASSISTANT BASKETBALL COACH

#### REX V. DARLING 1945-1959

Rex V. Darling has been assistant basketball coach at the Eastern Illinois University since 1945 except for one season, 1947-1948. He has been an assistant under three Eastern coaches: J. F. Goff, William Healey, and Robert Carey.

Dr. Darling graduated from Illinois Normal in 1938 with a double major in physical education and English. He participated in basketball and tennis at Normal. After teaching two years in high school, Rex became an infantry officer from 1941 to 1945.

In 1945, Rex Darling began coaching at Eastern Illinois University. In 1946-1947, a Masters' Degree was completed at the University of Indiana. At the present time, (1959) he has completed all the work for a Doctor's Degree from the same school except for the completion of a thesis.

His contributions to Eastern's varsity basketball teams cannot be measured. The important job of coaching the "B" squad in basketball has been his responsibility since joining the staff at Eastern. He has also coached football and is the tennis coach at the present time. (1959)

Mr. Darling stated:

The varsity coach and I have always had an unwritten agreement that a freshman must be outstanding to participate on the varsity. Otherwise, the freshmen will always participate on the "B" squad for at least one year. Probably Tom Katsimpalis was the only exception to this rule. We try to have a good "B" squad schedule with a few overnight trips included. The first year men are taught to work hard at their own system. There is a tremendous amount of information given

to them in one year. The main purpose is to give them experience for varsity competition. We usually use only freshmen and sophomores on the "B" squad.<sup>183</sup>

Mr. Darling's ability to work with boys has been of tremendous value to Eastern Illinois University basketball teams since joining the staff in 1945.

<sup>183</sup>Personal Interview with Mr. V. Darling, June 25, 1959. All the information from this chapter was gathered directly from Mr. Darling in a personal interview.

## CHAPTER IX

### SUMMARY

This history describes the beginning of basketball at the Eastern Illinois University from 1900 to 1959 inclusive.

Highlights of the Intercollegiate Basketball History at Eastern. Intercollegiate basketball was actually started in 1909 and has continued every year without interruption, except in 1911-1912 and 1917-1918, up to the time of this study, 1959. The records indicate that the first intercollegiate game was played with Millikin University in 1909, although there might have been games played at an earlier date.

Teams coached by Mr. Lantz were greatly handicapped in the early years of the sport. This was due to Eastern having only one and then two years beyond high school for several years. The Pemberton Hall Gymnasium was also a handicap to the Eastern teams for several seasons due to the lack of playing space available.

Best Won and Lost Records. The best won and lost records in the earlier years of basketball at Eastern were: 1914-1915 (14 wins and 3 losses), 1915-1916 (16 wins and 9 losses), 1924-1925 (10 wins and 3 losses), and 1926-1927 (12 wins and 5 losses).

Since the 1945-1956 season, Eastern Illinois University has not been under .500 per cent in games won and lost. During this period of time, the outstanding won and lost record of all times for an Eastern team was established during the 1951-1952 season when 24 games were won and 2 were lost.

Other outstanding seasons were: 1943-1949 (23 wins and 6 losses), 1949-

1950 (21 wins and 5 losses), 1950-1951 (19 wins and 4 losses), 1953-1954 (17 wins and 6 losses).

The overall won and lost record from 1909 to 1959 is 501 wins and 429 losses.

Conference Affiliations. Eastern Illinois University was a member of the Little Nineteen Conference from 1913 to 1920. At a meeting in Peoria on April 19th, 1920, the Little Nineteen was dissolved, and succeeding it was the Illinois Intercollegiate Athletic Conference. In 1950, the addition of two colleges from Michigan resulted in the name of the conference being changed to the Interstate Intercollegiate Athletic Conference. Eastern has been a member of this conference through 1959.

In 1948-1949, Eastern tied Western Illinois for the conference title. From that season up to and including the 1953-1954 season, six straight conference titles were either won or shared by the "Panthers". The outstanding conference record was compiled by the 1951-1952 aggregation which won twelve conference games without a loss.

NAIA Tournament at Kansas City. The 1946-1947 squad was the first Eastern Illinois University team to play in the tournament at Kansas City. Since that time, the following teams have made the trip: 1948-1949; 1949-1950; 1951-1952; 1952-1953; and 1956-1957. The outstanding performance by an Eastern Illinois University team was in 1956-1957 when they finished fourth in the 32-team meet.

Changes in Won and Lost Records from Previous Records Listed in Other Sources. The following won and lost records have been corrected by information from the scorebooks for the following years:

<u>Season</u>	<u>Previous Records Shown</u>		<u>Corrected Records</u>	
	<u>Won</u>	<u>Lost</u>	<u>Won</u>	<u>Lost</u>
1911-1912	7	2	8	2
1920-1921	3	6	4	11
1922-1923	5	12	4	13
1926-1927	11	5	12	5
1927-1928	6	11	6	12
1928-1929	7	4	8	9
1930-1931	6	13	7	13
1937-1938	3	11	3	13
1940-1941	8	7	9	9
1942-1943	7	11	8	10
1943-1944	7	8	7	9
1944-1945	7	11	7	12

Changes in Basketball Rules. During the 1911-1912 season, dribbling with two hands was ruled illegal. During the 1923-1924 season, the foul shooting rule was changed. Instead of one man shooting all the fouls called upon the opposing team, the man who was fouled must attempt his own free throws. During the 1933 season, the ball had to be advanced over the center line in ten seconds. In the 1937-1938 season, the center jump, after a field goal was scored, was eliminated.

Conclusion. This study covers over fifty years of basketball at the Eastern Illinois University. During that time, the school has had only eight paid, basketball coaches. The schedule has grown from a few games to twenty or more games each basketball season. Games were played with teams not only in Illinois, but in nearby states as well.
